## Background

Sudeep Bose is the principal member and manager of the Firm. His practice encompasses litigation in a broad range of areas including business/partnership, criminal, traffic and immigration law.

Mr. Bose has extensive experience advancing the interests of businesspersons in technology, construction, retail, and industrial sectors. He represents international clients in India, Netherlands, Canada, Brazil, Mexico, and Peru. His counsel is sought by individual businesspersons as a personal attorney, and by company boards as outside corporate counsel.

Mr. Bose is a skilled negotiator who understands the strategies and subtle tactics of successful legal negotiation. He trained at the world-

renowned Karrass Institute, a leading institution in business negotiations and strategy.

Mr. Bose is a former licensed private investigator with experience in intellectual property infringement investigations and corporate due diligence. He was Director of a Washington investigations and intelligence firm from 1996 to 1998.

Mr. Bose's roots are in the Washington, DC area. He was a television personality and news anchor of popular international television programs prior to becoming an attorney. From this experience, he gathered the trust and recognition of the south asian community of metropolitan Washington, DC.

Mr. Bose has been profiled in the New York Times, Washington Times, and various other noteworthy publications for his talent, dedication to the law,

## Ongoing Training

The Bose Law Firm requires all affiliated attorneys attend seminars in their fields of practice yearly.

In order to remain up-to-date on his areas of practice, Mr. Bose attends a variety of select seminars offered by the Virginia Law Foundation and other legal education groups. Such seminars include hot topics in business law, DWI defense seminars, and criminal law lectures.

## Personal

Mr. Bose is married to Dr. Soma Bose and has two children. His hobbies include sailing, golf, and racquetball.
